# cott systems

For over 120 years, we have utilized our people, technology and experience to deliver premium products to assist the **Superior Court Clerk** in providing exceptional services to their public.

## What makes our land and court records solutions special?

### Innovation

5% of our annual revenue is reinvested into new product research and development - products that are developed to help our customers advance to the next level of efficiency, service and integrity.

### Customer Service

Cott is about people. People who care about this business and our customer's success. People who are ready to help our customers solve issues and implement programs that help their operation. Our software is backed by people who are passionate, experienced and ready to serve. In fact, over 80% of our customers surveyed said they would, "definitely recommend Cott to another county".

### Dedication and Experience

Since 1888, Cott continues its long tradition of customer service and dedicated focus on what has always been its core customer: the record-keeper of land and court records in local government.

Proven. Effective. Trustworthy.

## That's Tyler.

Our Odyssey® courts and justice software suite enables courts to be more efficient, accessible, and reliable with its intuitive Internet Explorer®-based technology.

Simplified scheduling, caseload management, docket recording, minutes, and outcomes increase staff productivity. What's more, Odyssey saves courts time and money with a true, paperless environment.

- Configurable and comprehensive architecture
- Versatile, scalable solution for any size or scope of jurisdiction
- Compliant reporting

No wonder more than 700 courts are already using Tyler's courts & justice solutions.
