

# SUPERIOR COURT CLERKS OF GEORGIA

## eCertification Arrives

The Council is very pleased to announce and support the implementation of eCertification by the Georgia Superior Court Clerks' Cooperative Authority ("GSCCCA"). As of 9 March 2022, seven counties have activated eCertification with 45 more on track to go live between now and May 1.

<p><b>What is eCertification?</b></p>	<p>eCertification is an electronic certified document request and delivery system.</p> <p>eCertification provides users with the ability to <b>electronically request certified court and real estate documents</b> 24 hours a day, 365 days a year.</p>	
<p><b>How do I request an eCertified record?</b></p>	<p>Go to <b>ecert.gsccca.org</b>.</p> <p>Create an account, select the county where the record is located, select the document type, populate the required fields, and submit the request!</p> <p>The clerk can then process your request, generating a <b>tamper-proof certified record</b>.</p>	
<p><b>How can I be certain an eCertified record is legitimate?</b></p>	<p>Each eCertified record is assigned <b>a unique 14-digit authentication code and a QR code</b>, which can be used to authenticate validity of the document.</p>	
<p><b>What is being replaced?</b></p>	<p>eCertified records may be issued in lieu of certified paper records. <b>Paper certifications will still be available!</b></p>	
<p><b>How can I receive eCertified records?</b></p>	<p>Via the following: Authentication Link; Authentication Code; QR Code; Document Link; an electronic copy of the certified record.</p>	
<p><b>What makes eCertification a higher quality product than its predecessor?</b></p>	<p>eCertification facilitates <b>remote</b> requests, <b>faster</b> response times, <b>ease</b> of use, and more!</p> <p>eCertification also allows easy access to previously requested certified records for dissemination to necessary parties for business purposes.</p>
